HEALTH. CONNECT. ESCAPE. Adding a hot tub to your home is your start on the road to rejuvenation. Whether you want to connect with family, stimulate your health, or even escape daily pressures and stress, 20 minutes in your Marquis spa can rejuvenate your life.

INSPIRING SPAS. Reach soaring heights with the Show™ featuring theater seating with flowing design details from the lip to the cast river rock footwell. It's loaded with all the latest technology: E-Suite™ with Adagio™ audio system, MP3 dock and pop up speakers, Aquavision DVD monitor and wireless remote to make it happen! With 82 jets, extreme footwell therapy, dual Adirondack chairs and unique Captain's seat, the Show™ is a hydrotherapy giant!

CONFIDENCE. Now in our third decade of manufacturing, you can have confidence we engineer energy efficiency and product reliability into every model. Tri-Zone Hydrotherapy™ delivers penetrating heat without punishing pressure; ConstantClean™ water management includes an in-line sanitation system; SmartClean™ automatically triggers a cleanup cycle after soaking; Vortex skimmers filter 100% of your water from surface to floor up to 160 times a day to minimize maintenance. Plus, our Owner's Protection Plan is one of the best in the industry because our products are among the best you can buy.

WISHES COME TRUE. Marquis employee-owners take great pride in the products we build. Plus as a proud corporate donor for the Make-A-Wish Foundation® of America Marquis has helped grant 400 spas for children with life-threatening illnesses. A spa experience can add a lot to anyone's life...including yours!
